## Chairman's Address

We are now entering the third year of the Carrick Carnival and, as always, it promises to be 10 days of entertainment with lots of free family events. We open with our Carnival style parade which every year gets bigger and more colourful and this is followed during the week by a range of world class street entertainment, Kids fun days, Firework displays (with the wonderful Victoria Walker dancers providing a dance show), the ever competitive raft race and the highlight of the last two Carnivals, the Taste of Carrick, where the local restaurants and businesses never fail to deliver an excellent culinary event for us all to enjoy.

Every year we strive to make the carnival bigger and better and this year we are introducing some new items such as three different Air Displays, a four man Parachute jump, Rugby events, Western Carnival Night (where you can play a range of American style Carnival games such as "test your Strength" hammer hitting, Bucking Bronco and many more), An Exploration Dome, which is a 30 minute show which allows you to virtually travel through the Universe and beyond through a projection onto the ceiling of a specially designed dome and a Strictly Come Dancing event (featuring the best of Carricks' talent) which is sure to be a new highlight of the Carnival.

All the above is not of course possible without the incredibly hard working committee who have given up many, many hours of their own time to make this Carnival

such a success every year. Also a huge "Thank you" to Leitrim County Council, An Garda Síochána and the Chamber of Commerce - all are ever supportive of the Carnival and assist in many ways before, during and after the events.

The entire Carnival would not be possible without the support of all the businesses and volunteers who provide sponsorship and support, either financial or otherwise, to the Carnival year after year - this would not be possible without you all and is a testimony to the local support provided to local events. Many thanks to you all.

I hope you all enjoy the 10 day Carnival. There is something for all age groups and it promises to be yet another great year.

*PS Have you an idea for next year's Carrick Carnival or would you like to get involved in some way? Keep in touch online: E-mail: [carrickcarnival@gmail.com](mailto:carrickcarnival@gmail.com)
